

*“A valuable and healing process of putting my thoughts and memories to paper and having them heard by the group out loud”*

*M. E. (cancer participant from previous course)*

A six week course for those affected by cancer. You will learn to use writing as a tool for tuning into your inner reflective self, telling your story. Writing skills are not required. Each person finds their own particular style of expressing themselves. Bridget Brandon is the founder of Storyworks, Which is all about helping individuals unearth and chronicle their stories.
