

## **Casual Clinical Dietitian - casual**

### **Location: Sydney Adventist Hospital**

The Nutrition & Dietetics Department of Sydney Adventist Hospital is seeking to fill a casual Clinical Dietitian position.

This casual position is required to cover a clinical load for annual leave or sick leave. The position involves working as a member of a dedicated medical support team in developing, organizing and providing nutritional guidance and education for inpatients. The position may require on-call work for weekends or public holidays.

Duties include assessing patient's nutritional needs, counselling patients on modified diets, facilitating nutrition education groups, in-servicing staff on dietary issues, consulting and co-operating with doctors, nurses and other clinical staff for the welfare of the patients, and involvement in quality improvement initiatives.

### **Essential**

- Masters or Bachelor of Science (Nutrition and Dietetics) or equivalent
- Member or eligible for membership, of the Dietitians Association of Australia (DAA)
- Proven high level skill in Microsoft Office package

### **Desirable**

- Previous experience and proven competency as a Clinical Dietitian
- Previous experience with CBORD
- APD status
