

Clinical Pharmacist full time 38 hours – Hospital Pharmacy

Location: Sydney Adventist Hospital

Sydney Adventist Hospital is a division of Adventist HealthCare Limited. As a not-for-profit organisation, caring for our patient's needs is our first priority. We are seeking a Clinical Pharmacist to join our team to improve the flexibility of the services we provide.

Reporting to the Oncology Pharmacist, you will be responsible for providing clinical and oncology pharmacy services appropriate to patient care needs to wards, clinics and departments in the hospital.

The successful candidate must be highly organised, self-motivated, able to work autonomously, friendly and enthusiastic.

Essential:

- Registered Pharmacist authorised to practice by AHPRA
- Demonstrated prior experience as a hospital pharmacist possessing competence in clinical drug knowledge
- Demonstrated effective communication, organisational and interpersonal skills
- Demonstrated ability to work effectively as a member of a multidisciplinary team
- Attention to detail and accuracy in undertaking all tasks
- Proven computer literacy in pharmacy applications
- Ability to participate in evening and weekend and on-call rosters as required
- Demonstrated commitment to own personal and professional development

Desirable:

- Oncology pharmacy experience
- Demonstrated commitment to quality improvement, patient safety and risk management
- Demonstrated involvement in research and quality improvement activities

A position description is available upon request.
