Exciting opportunities have become available in our New Graduate Program for our June 2018 and September 2018 intakes. We offer a comprehensive 12 month program for Registered Nurses and Enrolled Nurses with support and guidance to transition from academia to clinical practice.

The new graduate program includes structured rotations through an extensive range of ward and specialised areas to broaden your experience and provide opportunity for ongoing career development.

Preference will be given to those seeking full time employment and be able to participate in a full time 7 day rotating roster. Part time working arrangements may be available.

Selection Criteria:

- Eligible for registration as a nurse with AHPRA prior to the agreed date for commencement of employment
- Completion of studies in 2017 or due to complete mid 2018
- Demonstrated high level of interpersonal, verbal and written communication skills
- Current clinical knowledge and clinical problem solving ability
- Ability to work within a multidisciplinary team
- Understanding of EEO, OHS&R, infection control and continuous quality improvement principles
- Understanding of professional, ethical and legal requirements
- Meets all Department of Health Immunisation requirements

Successful applicants will benefit from:

- A well-structured new graduate program including rotations through **three** clinical areas
- A caring and identifiable culture
- Competitive remuneration and conditions
- A salary packaging program
- A staff discounts program
- Staff only events to say "thank you for your commitment and hard work"
- Onsite parking (paid)
- Onsite nursing residence accommodation if required (paid)

Applicants must be Australian Citizens or have rights to work permanently in Australia. There will be no sponsorship available for international students.
