

RADIOGRAPHER - INTERVENTIONAL – FULL TIME - LEVEL 3

Sydney Adventist Hospital with capacity for over 550 licensed overnight beds is an acute care private hospital located on Sydney's leafy North Shore. We are a not-for-profit acute care private hospital and offer acute medical, surgical and obstetric care, including complex cardiac and orthopaedic procedures. We are quite unique for a private hospital as we also provide emergency care diagnostic and interventional services. There are 20 operating theatres utilising DR, II and O-arm units. Our focus is on providing referrers and patients with a high quality, customer focused comprehensive radiology service. We have an interesting case-mix of inpatient, outpatient and interventional work, shifts and a great team of people to work with.

The successful applicant will be required to work a 24/7 rotating roster and participate in on-call duties. On-call duties require the radiographer to be within 30 minutes of the hospital. Work duties will predominantly compose of angiography in the Radiology Department and the Hybrid Theatre, located within Operating Theatres (construction currently underway).

Radiology consists of:

- | | |
|---------------------------|----------------------|
| - DR general x-ray (x3) | - Angiography |
| - Mobile x-ray (DR) | - Cardiology |
| - EOS | - 3T MRI (x2) |
| - Mobile DR, II and O-arm | - Ultrasound (x4) |
| - Digital Mammography | - Cardiac ultrasound |
| - CT (x3) | |

Your skills and proficiencies will include:

- Demonstrated ability to perform high quality interventional radiography
- Demonstrated adaptability, flexibility and team focused.

Required:

- Current AHPRA Registration
- Current NSW EPA Radiation Operator License with G1 supervision
- A minimum of 2 years' experience as a qualified radiographer
- A minimum of 2 years' experience in relevant modality
- Proven high clinical standards and knowledge related to specified field
- Ability to participate in shift work and on-call.

Desirable:

- Experience working in a busy hospital environment
- Proven focus on education of self and others
- Undertaken external recognised professional course or post graduate qualification related to specified field.

Contact Nadine Thompson, Chief Radiographer 02 9487 9838 or nadine.thompson@sah.org.au to discuss the position and other enquiries. Applications should be addressed to Nadine.thompson@sah.org.au

Closing date - Friday, 2nd June 2017.
