

Registered Nurses - Coronary Care and Cardiac Interventional Unit

Casual, part time, full time, rotating roster nights and days

Location - Sydney Adventist Hospital, Wahroonga

Sydney Adventist Hospital is seeking Registered Nurses for the Coronary Care and Cardiac Interventional Unit, caring for acute cardiac patients and patients undergoing cardiac interventional procedures.

If you have excellent clinical skills, and would like to be part of a caring team, you will need to meet the following criteria:

Essential

- Current registration with AHPRA
- Minimum of 1 year cardiac or critical care experience
- Completion of basic ECG course
- Proven ability to work as a contributing and cooperative member of a team
- Good time management and ability to prioritise
- Demonstrated commitment to best practice and quality management participation
- Demonstrated high level written and oral communication skills
- Demonstrated commitment to patient care
- Current Blood Safe and DETECT competencies

Desirable

- Post graduate qualifications in Cardiac or Critical Care Nursing

Enquiries to Rebecca Dinn, Nursing Unit Manager on (02) 9480 4505 or Rebecca.dinn@sah.org.au

Please forward your application, including a cover letter addressing the selection criteria, current curriculum vitae and completed application form (which can be found on the website www.sah.org.au/job-vacancies) to: Rebecca.dinn@sah.org.au

The closing date for applications is Friday 29 September. However, applications will be reviewed and actioned as they are received therefore early applications are favourable.
