

Surgical Assistants - Medical or Nursing (after hours) – sessional employment basis

Location – Sydney Adventist Hospital

Opportunities exist to participate in the after-hours surgical assistant roster at Sydney Adventist Hospital.

This role ideally suits surgical trainees or general practitioners with an interest in surgery and provides a variety of surgical experiences. The assistant must be within 30 minutes of the hospital (Wahroonga, NSW) during their shift. Onsite accommodation is available.

Nurse Surgical assistants must be registered with AHPRA and have Perioperative Nurse Surgical Assistant qualifications. Medical practitioners must be registered with AHPRA and hold a Medicare provider number suitable for surgical assisting.
