

VISITING MEDICAL OFFICER

ENDOCRINOLOGY

SYDNEY ADVENTIST HOSPITAL WAHROONGA, NSW

An excellent opportunity has arisen for an Endocrinologist to join Sydney Adventist Hospital, the largest private hospital in NSW. Sydney Adventist Hospital is a teaching hospital of the University of Sydney and offers excellent facilities, a full range of medical specialties and diagnostic services, a busy emergency care department, and an integrated cancer centre. This is an excellent place to work with an unmatched record and reputation in our community and it's the right time to join following our redevelopment which provided an extra 200 beds and facilities to meet the increased demand for our services.

The successful applicant will have a broad range of skills in endocrinology along with excellent communication skills. The role includes on-call, admission and consultative services along with teaching medical students and staff. The successful applicant will have specialist training in endocrinology and be registered with the Medical Board of Australia, AHPRA.
