

# CASUAL NUTRITION ASSISTANTS

## Casual Nutrition Assistants

We currently have a vacancy for casual Nutrition Assistants in our Nutrition and Dietetics Department. The position involves coverage for staff who are on annual leave or sick leave. It involves working on a rotating roster including weekend work. The Nutrition Assistant is responsible for assisting the Clinical Dietitian in providing nutritional care to inpatients and using CBORD for taking and processing patient menu orders.

### Essential criteria:

- Certificate III in Health Services (Nutrition and Dietetics Support) or an Undergraduate Degree in Nutrition or equivalent

### Desirable criteria:

- Previous experience as a Nutrition / Dietitian Assistant
- Previous experience with CBORD

The successful applicant will be organised, efficient, have good communication skills, excellent customer service, team player, computer literate and willing to maintain the philosophy, objectives and standards of the Hospital.
