Career Profile (1 paragraph, maximum 200 words)

Please provide a concise career profile. You may like to include the following information:

- Undergraduate training – degree, university, year graduated
- Postgraduate training, internships, residency and / or registrar training
- Fellowships
- Current / past professional affiliations / appointments (eg. Lecturer / Director / President)
- Current hospital accreditations
- Areas of sub-specialty / specific professional interest

Research Interests (1 paragraph, maximum 200 words)

Please email the following documents to sally.martin@sah.org.au

- **Professional high resolution digital head shot** - Please ensure photos are in jpg format and no greater than 2MB
- **Research articles and other publications** in a Word document. This list will be attached to your profile page as a PDF file that can be updated as required. To standardise presentation for all doctors, we ask that your publication list be presented using the Vancouver style of referencing (Authors. Title. Abbreviated journal name, year of publication; volume number: page numbers). Example : Moher D, Liberati A, Tetzlaff J, Altman DG. Preferred reporting items for systematic reviews and meta-analyses: the PRISMA statement. *Ann Intern Med* 2009;151(4):264-9, W64. If your article is available online, you may also wish to add the web address. For examples of how to format other publication types, such as books or web articles, please refer to: www.nlm.nih.gov/bsd/uniform_requirements.html.
