

# Accommodation at the Sydney Adventist Hospital Residence

**The SAH Residence offers both guest and residential accommodation.  
Details and requirements for accommodation are outlined below.**

## **Guest Accommodation.**

Guest accommodation is from one (1) night up to six (6) weeks.\*\* Accommodation requirements greater than seven weeks in length will be processed under our residential accommodation. Please refer to the information below to understand our application process.

Guest reservations are subject to availability and are only guaranteed following payment of the Booking Fee advertised in the *SAH Residence Schedule of Fees*.

Our guest rooms are similar to Motel accommodation in that bed linen and a bath towel are provided. All rooms are for single occupancy and are gender specific. With the exception of our one ensuite room, guests utilise the shared bathroom facilities within the Residence. Housekeeping is not provided however, clean linen can be obtained through a request at Residence Reception. Courtesy vacuum cleaners are also available for guest use at Residence Reception.

Basic cooking kits are available from Residence Reception, with a \$20.00 conditionally refundable deposit, for guests who wish to provide their own meals. Alternatively, the San Café is open for breakfast (except Saturday), lunch and tea.

*\*\*Depending on circumstances and the period accommodation is required it may be financially beneficial for individuals looking at guest accommodation to meet payment of the seven week minimum stay under our residential accommodation, even though the actual length of stay will not be that long. This option can, under some circumstances, work out cheaper than our Guest Room accommodation. Please feel free to discuss this option with the Housing Services Manager.*

**Reservations are made with Residence Reception during their trading hours of  
10:30am to 5:30pm Monday to Friday. Phone = (02) 9487 9333**

### **Note:**

**Guest reservations must be paid in full at the time of making the reservation or at check-in, where a reservation is less than seven nights. Reservations greater than seven nights must be paid a minimum of one week in advance for the duration of the reservation.**

## **Residential Accommodation.**

Residential accommodation is provided under a 'minimum stay' requirement of seven (7) weeks, or payment in lieu of the 7 weeks as indicated at \*\* above.

Residential accommodation is secured through a two part application process which consists of completion of the Application Form and payment of the Application Fee. Application Packages are available on a link at the website listed below.

Residential applications must be lodged a minimum of two (2) weeks before the intended date of check-in.

Residents supply their own linen, cooking equipment, utensils etc. Residents use the shared facilities which include kitchens, laundries, bathrooms and lounge rooms. Residents cover their own parking expenses.
